GATE RULE - When horses are competing collectively, if a first horse does not enter the in-gate ready to participate within one minute from when the class is called into the ring, a warning is issued. A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e. two to four horse or horse and buggy lengths in between). Show Management in conjunction with the Steward may deviate from this procedure as circumstances warrant. Class calls must be considered a courtesy only.
