High Point Rules

Eligibility: Adults must be voting (Regular or Family) members in good standing of AHA and DAHA. (Associate members are not qualified.) Juniors must be youth members. Horses must be registered purebred or Half-Arabians.

Show Season: Points must be obtained during the competition year November 16 to November 15. (*Points earned after November 15 count towards the following year.*)

Enrollment: Owner/rider must submit completed High Point Entry Form, together with appropriate fees, anytime during the Show Season. Points do not count until all fees are paid. Participants can enter more than one class. Participants must include their current AHA card with entries. Participants cannot alter, add classes, or contest placings after the 30-day cut off.

Results/Points: Points and entries must be submitted at least 30 days prior to the Awards Banquet. A participant's show record from the AHA website can be submitted as evidence of show/placing, or the owner/rider may complete a High Point Reporting Form. Only points from shows judged by a rated AHSA, CSHA, CDS, USDF, or other official rating organization will be accepted for full points. Schooling shows shall count for half points. **Endurance** rides must be sanctioned by AERC. **Competitive Trail** rides must be sanctioned by NATRC. It is the responsibility of the participant to provide accurate results. A **stallion gelded** during the Show Season will have any points earned transferred and added to gelding points he earns. If a **horse is sold** during the Show Season, the accumulation of points will stop, and the horse will retain its current standing points, which may be transferred to the new owner, provided that the new owner is a voting or Youth member of DAHA or becomes one within 10 (ten) days of purchasing the horse.

Awards: Awards are at the discretion of the High Point Committee and will change from year to year. Participants are eligible to win one Open Award and one Age Group, if they have won more than one they will be moved to the overall High Point category winner group. All Perpetual Trophies will remain the custody of the DAHA Board. Name plaques will be added to the trophy(s) on an annual basis.

Disputes: In the event of a complaint, or if questions arise regarding tabulation of points, a written request must be submitted to the DAHA President, who will appoint a Committee to review the complaint. The Committee's decision will be final. In the event of a discrepancy regarding points, the High Point Committee will contact the Secretary of the event in question to determine the actual point count.
